EXHIBITION OF LOTS AT THE BARBIZON PLAZA HOTEL

Additional viewing time will be available during the first three sessions of our Public Sale on Monday, January 10 through Wednesday, January 12, 1983 at the Barbizon Plaza Hotel, New York City. You may look at lots between the hours of 10 A.M. and 6 P.M. on Monday and Tuesday, and from 10 A.M. until 1 P.M. on Wednesday. There will be a break in the viewing between 1 P.M. and 1:30 P.M. each day while our staff has its lunch. Seats will be reserved for those looking at lots at the time of the break, but anyone not returning before 2 P.M. forfeits his seat.

A SPECIAL APPEAL TO OUR CUSTOMERS

Because of the size of this sale and the number of clients we expect to come in from out of state we **urgently** request our customers living close to our offices to take advantage of our viewing hours prior to the actual days of sale. There is an extensive amount of material to view and it will be **impossible** for you to view it all on any one day of the sale.

SPECIAL TERMS

In accordance with the request of the late Charles J. Affleck, special credit terms are being offered purchasers of the Affleck material which is specially indicated by an asterisk(*) next to an Affleck lot. Under these terms parties wishing to buy Affleck-Virginia material may pay 40% down and then 10% of the gross bill each month (February 15th to July 15th, 1983) together with 12% interest on the outstanding balance. These special time terms are limited solely to serious, established Virginia collectors; **dealers will not be granted such Terms. Persons wishing to make purchases on this basis must apply in writing prior to the sale for permission to pay on time and must also state the approximate amount of credit that will be required. The minimum grant of credit will be \$600.**

Lots will only be delivered during exhibition time.

SALE CLOSING

The receipt of telephone bids will cease at 5 P.M. E.S.T. on Friday, January 14, 1983. However, we will continue to answer the phones as long as they continue ringing after that time in order to assure that those who were unable to get through can get their bids entered. If no phone rings for 10 minutes after 5 P.M., our offices will close.

The books will close on Monday morning and mail bids received on Saturday or Monday morning will be entered at that time in order to close the books. No telephone bids will be accepted at that time.

CONFIDENTIALITY OF BIDS

In order to protect the confidentiality of bids made by our mail bidders vis-a-vis those made by telephone, no precise information will be given regarding the nature of the bids on the book. The only question that will be answered is whether one is ahead on a lot, the answer being a simple "yes" or "no."

If a bid is then raised, no further answer regarding the status of the bid will be given.

A WORD ABOUT OUR ESTIMATES

The prices you see listed in the catalogue next to some of the lots are estimates which we think, in our best conservative professional opinion, each individual lot may bring.

The three Public Sessions of the Affleck Sale, January 10, 11 and 12, 1983, are bound in a separate catalog.

TRANS-MISSISSIPPI BONDS

After the fall of Port Hudson and Vicksburg, the Confederates had great difficulty in shipping securities to the area west of the Mississippi. In order to prevent Union use of Confederate bonds (in the event of capture, each bond was stamped with a two or three line red endorsement saying the bond wasn't valid until endorsed by a Confederate Depository. Other bonds have Trans-Mississippi Endorsements on their backs. We are pleased to be able to offer so large a group of these rarities.

Endorsed on the back by Fish who was Secretary from 1869-1877. Fish became Secretary in April 1869 when Eli Washburn resigned to become Minister to France after being Secretary for only a month. Fish, who had been out of politics for a decade was astonished when on April 1, 1869 a telegram purportedly from President Grant arrived offering him the position of Secretary of State. Fish, thinking this was a practical joke, circular filed it only to receive another telegram three days later. Because of the original failure to reply, Grant had nearly offered the job to someone else but insisted on an answer from Fish first. Fish's ancestors for 5 generations bore the curious first name "Preserved" and his descendants have been Congressmen for many years from Dutchess County.

SUPERB COLLECTIONS
OF NUMISMATIC - RELATED
PICTURE POST CARDS

Most post cards in the lots below date from before 1950, with a good portion produced before 1930. They depict banks and other financial institutions, mints, the U.S. Treasury, the Bureau of Engraving and Printing, etc.

Unless otherwise specified, the cards were printed by color lithography. Rarer types include photographic prints, collotypes (a printing process that yields an image much superior to a halftone), embossed cards and "semi-embossed" cards (standard color lithographs on which narrow bands of a gritty substance have been glued to provide a 3-dimensional effect).

There is some duplication of cards in the lots; it is generally greater in the dealer's groups.

TERMS OF SALE

1. A 5% buyers charge will be added to each lot purchased by any bidder. This charge will be based on the amount of the final bid and the charge will be added to each invoiced lot.
2. All bids are per lot as numbered in this catalogue.
3. We reserve the right to withdraw any lot prior to sale.
4. All material in this catalogue is guaranteed to be genuine unless otherwise described.
5. All successful bidders shall be billed for postage, handling and insurance charges. Insurance items sent abroad, not covered by Registered Mail will be billed under our Lloyds of London policy. **Shipments to overseas buyers are made at their sole risk.**
6. We reserve the right to reject any bid from any bidder when we deem a bid not made in good faith. NASCA does not assume liability of any kind arising out of the failure to execute any bid due to clerical error or from any other cause.
7. No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. United States currency will not, in conformity with law, be opened at less than the indicated face value. Where such currency is opened at par, no commission is charged to the consignor.
8. In case of a tie bid, floor bids will take precedence.
9. **NO BIDS WILL BE ACCEPTED OTHER THAN THOSE RECEIVED IN EVEN DOLLAR AMOUNTS. THIS INCLUDES AUTHORIZATION TO INCREASE BIDS BY A CERTAIN PERCENTAGE. THOSE INCREMENTS WILL BE REDUCED TO THE LOWEST DOLLAR AMOUNT.**
10. Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed on your sheets.
11. It is necessary for all minors wishing to bid to present written parental permission prior to sale.
12. The payment terms for our sales are strictly cash and payment is to be made immediately upon receipt of invoice. **No lot(s) may be taken away at any time unless the purchase price thereof has been paid in full.** Buyers will be charged a late charge of 2% per month on the total purchase price (including buyers and other charges) if payment is not received by NASCA within 10 business days of the mailing of the invoice. Established customers who have credit with us shall be permitted, after seeking permission in writing, to have such items held for 30 days without charge after the closing date of the sale. However, no merchandise will be delivered in advance of payment.
13. Title does not pass on any item purchased until payment in full is received for all items. NASCA expressly reserves the right to await the clearance of any check tendered before making delivery.
14. In the event that a collection agency or an attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs and charges of any and every kind whatsoever incurred by NASCA in collecting the funds due shall be borne by the defendant in the event that judgement is given against him, her or them. In the event of a suit, the signer of a NASCA bid sheet or participant in the auction concedes the jurisdiction of the courts of the State of New York or the United States in the County of Nassau or the City of New York as NASCA alone shall elect and expressly waives any right of trial in any other place or jurisdiction.
15. No lots may be returned by Floor bidders except on the ground of non-authenticity.
16. Mail bidders may return lots for reasons of authenticity or improper description by requesting permission to do so within 5 days of receipt or by 22 February, 1983, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall be grounds to cancel this privilege except as regards unauthentic material.
17. New York State sales taxes shall be levied on all New York residents either in New York City or our offices (if picked up there) at the rate applicable therein and if delivered to the purchaser's residence, at the rate applicable there. Dealers and other persons not resident in New York are reminded that under regulations effective 1 Dec., 1982, sales tax must be collected from any non-New York dealer unless the proper forms have been filled in by the said dealers and filed with the New York authorities. Out of state persons may also be liable to the sales or use taxes of their jurisdictions depending on the agreements existing between New York State and other states.
18. NASCA reserves the right in public auction sales to reopen the bidding under the following circumstances:
 - 1) NASCA has failed to execute correctly a mail bid.
 - 2) A party purchasing the lot on the floor has done so in error.
 - 3) Where a protest is made after the hammer has fallen but before the bidding has commenced on the next lot.
 - 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot.With these exceptions, lots will not be permitted to be reopened after they have been hammered down, unless the party awarded the lot will permit the auctioneer to reopen the same. The decision of the auctioneer on these or other points shall be final and binding.
19. **The placing of a bid in this auction sale shall constitute full acceptance of the foregoing terms of sale.**
